To Whom It May Concern:

This letter is a certificate of completion awarded to Urva Patel, for successfully completing his internship at Wutzeric Private Limited.

Urva joined Wutzeric on March 15, 2023 and worked till May 31, 2024. During his internship, Urva learned to build production ready code using HTML, CSS, Javascript and React for our BanyanBoard product line. He developed multiple React components that were succesfully integrated into BanyanBoard's production code base.

We thank Urva for his contributions during her internship period with Wutzeric and wish Urva the very best in his future journey.
